MINDSET

Instead of...

Try saying...

My work doesn't look good	What can I add to my work?
I give up	I'll try a different strategy
That's good enough	Is this my best work?
I can't do any more	I can always improve
This is too hard	This will take some time
I made a mistake	Mistakes help me learn
I've got the answer so I'm finished	Is there another way I could have solved it?
My friend can do it	I could learn from them
I can't do it	I can't do it YET!!!
