## FULLBROOK 6 OPEN EVENING

We've been delighted to see so many bookings for the Fullbrook 6 Open Evening on Thursday 8 July. It's the perfect opportunity for Year 10 students to start thinking about their next steps after GCSEs.

Book your session ASAP via our [Eventbrite](https://fullbrook.eventbrite.co.uk) portal to ensure your child can find out more about study opportunities with a sixth form that's big enough to challenge, and small enough to care!

## PARENT PARKING & ONE WAY SYSTEM

Unfortunately we find ourselves having to raise the issue of inconsiderate parking from some of our parents & carers with you once again. Over the past few weeks there have been more and more instances of parents being hugely inconsiderate towards our neighbours, and drivers needing to access and exit the Fullbrook site during drop off and pick times. This includes blocking driveway access for residents on Selsdon Road and Keston Avenue, and vehicles stopping across the junction on the bend where these two roads meet. The second issue is particularly dangerous as it also causes a bottleneck for traffic and puts our students at risk as they make their way to and from school. If you must drop off/pick up your child/children then please consider parking slightly further away on a quieter road or where there is designated parking such as the Woodlands Avenue car park in West Byfleet which can be accessed quickly by students via the path that runs down the side of the Fullbrook site and over the canal (a 5 minute walk at most).

We would like to take this opportunity to also remind you of the voluntary one way system which we ask our parent and carer community to follow to help alleviate the traffic issues around the school during those busy times, and to be mindful of our neighbours who are often disrupted by the high volume of cars parked along the roads and travelling down them. Please see the image on **page 3** of the newsletter for details of the route you should be following.

## LOCAL BUSINESS DONATES TO FULLBROOK

We were recently contacted by PGS Exploration in Weybridge with a very generous offer of some office equipment that they were looking to dispose of by which was still perfectly usable. We are going to be collecting 32 large and 18 small computer screens, keyboards and mice and they have also have given us a dozen boxes of A4 paper and some stationery for our supplies. ## WORD OF THE CYCLE

It's time for another Word of the Cycle which we'll be incorporating into lessons and tutor times with students. We would be grateful if you could continue to support this by using the word in conversation at home.

**Pertinent (adjective):** Relevant or applicable to a particular matter.

**Example:** *The student made a really pertinent point in their response to a question given by the teacher.*

## MFL WORD OF THE CYCLE

Our next Modern Foreign Language (MFL) Word of the Cycle which will be incorporated into MFL lessons in a similar way to our normal Word of the Cycle is below.

**English:** Pertinent

e.g. *I find Maths more **pertinent** than Literature because I have a logical mindset.*

**French:** Pertinent/Pertinente

e.g. *Je trouve les mathématiques plus **pertinentes** que la littérature parce que j'ai un état d'esprit logique.*

**Spanish:** Pertinente

e.g. *Las matemáticas me parecen más **pertinentes** que la literatura ya que tengo una mente lógica.*

## YEAR 11 PROM – UPDATE

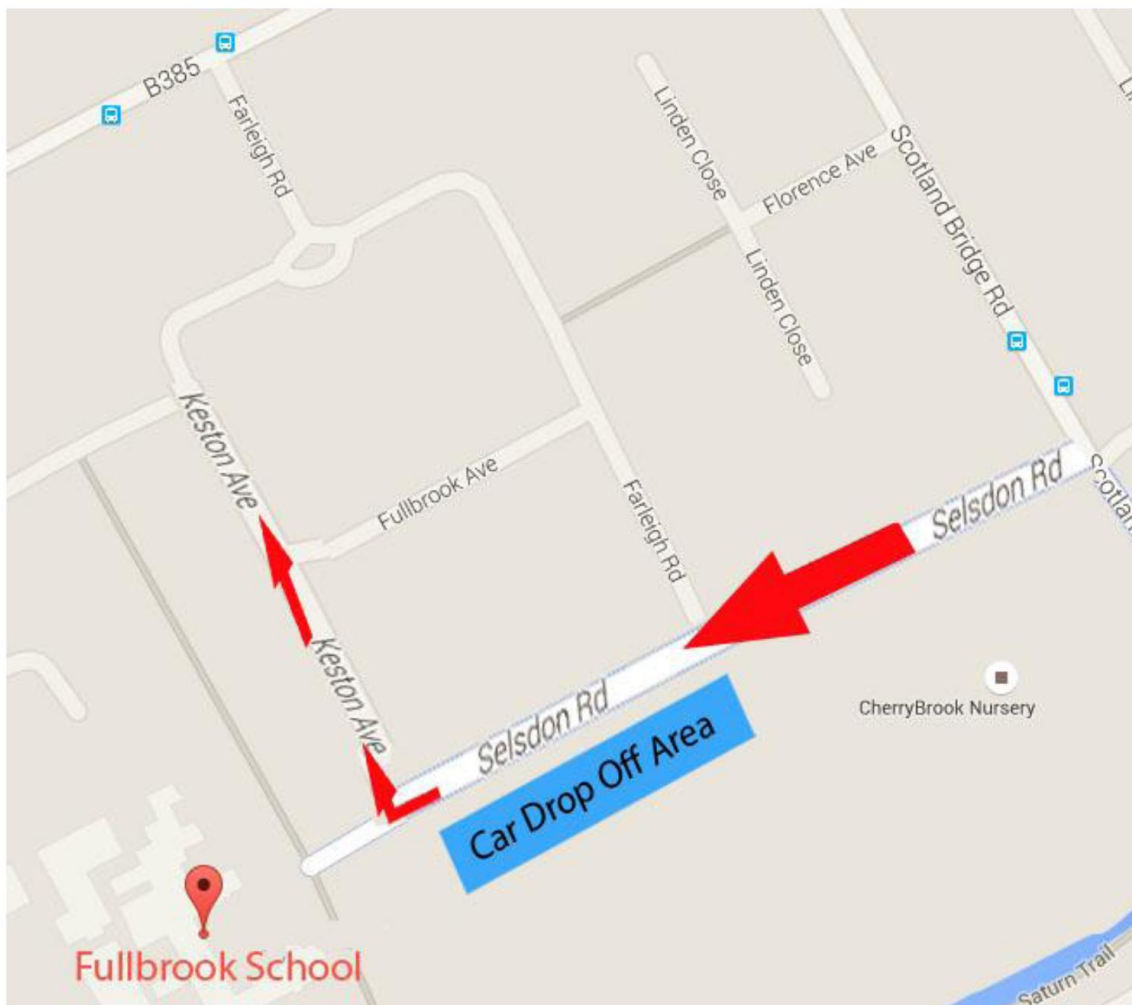

We are delighted to be putting in COVID secure measures to enable Year 11 to celebrate the end of their time at Fullbrook. To try to make sure that this can go ahead it is vital that everyone follows the measures in the prom risk assessment. The most important way Parents/Carers can help is by not congregating at the school gate. Should this happen there is a very real possibility that the police would close the event. By not coming you will help ensure Year 11 can enjoy this last celebration of their time at Fullbrook. (Cars will be dropping students on the site so there will be nothing to see at the gate)

### Pasta La Vista !

Thanks to the generosity of the local community, we now have more than enough Pasta at our warehouse and so we have been thinking of some recipes to use up the surplus...

Please see this simple recipe below:

#### Hot dog and Bean Pasta

- Cook any pasta you have in your cupboard.
- 5 minutes before the pasta has cooked add a tin of hot dogs and a tin of mixed beans.
- Once the pasta has cooked, drain the water, leave the pasta and beans to cool.
- Roughly slice the hotdogs and add to the pasta.
- Once the pasta, hot dogs and beans have cooled add a few tablespoons of mayonnaise, a pinch of salt and pepper and mix until the pasta is well coated. Store any leftovers in the fridge for the next day.
