## FULLBROOK OPEN EVENTS - UPDATE

It was wonderful to welcome parents, carers and children to Fullbrook on Tuesday 28 September to see our school during a normal working day.

The feedback we received during the post tour refreshments was hugely complimentary about our Year 9 student ambassadors and how knowledgeable & helpful they were to the guests they were showing around the school.

## EXTRA DATE!

Due to overwhelming demand for the Open Morning tours that are coming up in October, we have added a further date on **Tuesday 19 October**.

If you would like to book then please click [here](#).

## SCHOOL PHOTOGRAPHS

On **Friday 8 October** all students will have their photographs taken professionally during the school day. These photographs are used for our internal systems and can be purchased by parents/carers should you wish to do so. Years 7 and 11 will also have tutor group photographs taken, however these will not be available for purchase. Please ensure that your child arrives at school next Friday in full school uniform.

## INSPIRED TO ACHIEVE FAIR – FULLBROOK 6

Our students from Year 13 are excited to share their research projects with the Fullbrook community in the main hall to answer your questions. Their presentations cover a broad range of topics that span the automotive and motorsport industries, athletics, music and neuroscience, the American judicial system and more! Their projects form part of the Fullbrook 6 Inspired to Achieve Programme, run for students aiming for the top grades at A Level.

There is no need to register for this event, just turn up on the evening. Please see the poster on **page 5** of the newsletter for more details

## HOMEWORK CLUB

## STUDENTS WHO CYCLE TO SCHOOL

We have already reached the time of year where the weather is much wetter. All students cycling to school must ensure they do the following;

- regularly check that their bike is fit for use in rainy conditions,
- that they have working lights on the front and back of their bike for when mornings and afternoons get darker after the clocks change during half term
- wear some form of high visibility clothing such as reflective strips on their coat & school bag
- they should not be wearing all black/dark clothing with nothing to make drivers aware of them

Please can all parents and carers ensure that their child(ren) ensure that these safety measures are followed?

## YEAR 10 GCSE ART TRIP TO WISLEY

On Monday 27 September our Year 10 GCSE Art students visited RHS Garden Wisley to expand their skills and inspiration to support their coursework. During the field trip, students spent time in the grounds gathering sketches which they will then be able to use and expand upon in future lessons.

Mrs Tice, who organised the trip, commented that the students demonstrated exemplary behaviour and work ethic, and represented Fullbrook brilliantly.
