

### Year 11 Intervention schedule 2025-2026

Year 11 intervention sessions are designed to provide targeted support that enable students to maximise their GCSE-readiness and reach their full potential: this is achieved by addressing gaps in knowledge and skills, helping students strengthen their understanding of key topics and boosting confidence.

Please find below a comprehensive list of when and where each subject is running their intervention sessions.

<b>GCSE Subject</b>	<b>When the intervention takes place</b>	<b>What time does the intervention session start and finish?</b>	<b>What is the location of the intervention session?</b>	<b>Any further information, if applicable</b>
