Uniform

All students are encouraged to take pride in their personal appearance. Uniform is worn in school, at official functions and on most school trips. Students on their way to and from school represent us in the local community and their appearance and behaviour influence the reputation we have. It is of great benefit to all our students that Fullbrook enjoys excellent support from the community.

Dressing appropriately and modestly, following the dress code, shows respect for yourself and those you work with.

The list below should make our expectations clear:

- Make-up (including fake eye lashes and extensions), nail varnish and nail extensions are not to be worn to school.

- Jewellery The only permitted items are a flat finger ring, a watch and one pair of small ear studs (one in each ear lobe) and no other body piercing to be worn to school. The school cannot take responsibility for items of any value. Students should not wear items that could be a danger in PE, Science or Technology lessons. Smart watches are not allowed.

Any items brought into school must not carry a drug related logo or abusive messages. All items of clothing and equipment should be clearly marked with the owner's name and year group. Any infringement of the uniform rules may lead to isolation or being sent home if it cannot be remedied. For every five uniform infringements logged, the students will sit a detention for 1 hour after school.

All school uniforms can be purchased from the School Uniform Direct website www.schooluniformdirect.co.uk, West Byfleet Shop KT14 6SD and over the phone: 0208 5445440.

Students who have PE on their timetables on any day should arrive to school in their PE kit and will be able to wear their PE kit all day. We would suggest that students have tracksuit bottoms which can be worn outside of the lessons during the day, or for students to change into should their kit become dirty. As PE lessons can be in or outdoors, students will need to bring both trainers and football boots.

The Fullbrook Physical Education Kit policy requires, all students to be in their PE kit, even if they are excused from the practical element of the lesson. On occasions when students are unable to do PE, they will be expected to take on a different role within the lesson. This might be as an official, coach or observer.
